## The Liberation of the City of Pilsen – worksheet

1. Why was Pilsen such an important city for the Germans during World War II?
2. Which unique building was constructed near Pilsen in the autumn of 1943?
3. Which divisions and battalions liberated Pilsen?
4. In Martinská Street, there is one remnant of the WWII period. What is that and what was it used for?
5. Which buildings, for example, in the city center were damaged by bullets during the final gunfights? Which day was it?
6. Which buildings were damaged during air raids?
7. Write at least three names of the political personalities who are connected with the memorial "Thank you, Amerika!"

8. Outline/draw three memorials that you can see during the guided tour and write the location and dedication of each of them.

9. What is the demarcation line, and where can it be seen in Pilsen?

10. Where in Pilsen can you find artifacts (e.g., weapons, ammunition, aircraft remnants) from the WWII and liberation periods?

11. Who is this place named after, and why?

# OSVOBOZENÍ ROKYCAN

# MUZEUM NA DEMARKAČNÍ LINII

# PRACOVNÍ LISTY

## I. PART (Museum on the Demarcation Line in Rokycany)

- 1) • In which year did World War I end? .....
- 2) • The term DEMARCATION LINE means (explain in your own words) .....
